Storytelling Through Glass

Glass does more than finish a room. It protects the people inside it, can improve how they feel, and naturally connects to the world around them.

IDCEC-APPROVED · CERTIFICATE ON COMPLETION

LENS 01

Protection

Safety glazing, impact ratings, and code.

LENS 02

Well-being

Acoustics, daylight, cleanability, comfort.

LENS 03

WHAT YOU'LL TAKE AWAY

- 01** Spot hazardous glass locations and the code requirements for impact-rated glazing.
- 02** Compare tempered and laminated glass, and evaluate for acoustics, cleanability, daylight, and visual comfort.
- 03** See how decorative glass supports wayfinding, privacy, identity, and inclusive access.
- 04** Apply the Glass Recipe, a repeatable set of questions for any specification conversation.
